

2018 Wixom Trail Trekkers

A fun hiking/biking program to encourage fitness and enjoyment of our trails in Wixom and the surrounding area. Log a total of 10 hours of walking or biking and earn a City of Wixom hat or water bottle. You can hike or bike anywhere in the community—use the trails at Gilbert Willis and Gunnar Mettala or explore the new Air Line Trail which will be paved soon and link to other area trails! Just log your time spent walking/hiking/biking and work toward your 10 hours! All logs must be completed and turned in by December 1, 2018 at Parks & Recreation. Please call 248-624-2850 for more information.
