Garden Plot Information

- Each Plot is approx. 17' x 10' (not exact).
- Plot maintenance is the responsibility of each gardener.
- Each plot must be weeded and have a presentable appearance. Hoeing, mulching, and hand weeding are recommended.
- Invasive species such as mint, comfrey, etc., trees, bushes or other woody perennials or illegal plants are not allowed to be planted.
- Dispose of all trash in proper receptacles. Weeds go in designated compost pile.
- Water is furnished with hoses, but gardeners must provide their own tools.
- Replace hoses in a neat fashion near water source when done.
- Fertilizing plot is responsibility of gardener.
- No storage facilities are available on site.
- Herbicides and sterilants are prohibited.
- Use of household pesticides are allowed, but do not spray on windy days & respect your neighbors.
- The City is not responsible for any loss or damage to crops, equipment or materials.
- A 3 ft. chicken wire fence is recommended around your plot.
- **Must have lot cleared by October 13.**

Garden Plots Layout

Garden Plots are distributed on a first come first served basis, beginning with Plot 1. Returning gardeners will have priority to having the same plot as last year, if registered by May 1. **The cost is \$25 per plot.** Gardening will begin May 26, 2018.

WIXOM COMMUNITY GARDENS

Thank you for participating in the Wixom Community Gardens. We hope you find this to be a relaxing experience where you can enjoy a favorite past-time, meet local residents and utilize what our environment has to offer. We ask that you follow our general rules and respect your neighbors. If you have any questions or problems in the garden, including animals, please call the Parks and Recreation Department at 248-624-2850. Above all else, have fun!
